

# Intra-District After School Collaboration Planning Form

This year, staff will have the opportunity to choose between their school 2019/20 collaboration group and a district discrete group. The district discrete groups will have a minimum of 5 members and a max of 15. District discrete groups will pursue a common question or focus throughout the school year. Discrete group members will need to report back to their staff at the last after school collab session or at a staff meeting. This form needs to be completed and sent to the CTA ProD Chair or CUPE Chief Shop Steward after the first discrete group meeting.
